Ex. 6 - Personal Privacy

From: "Merrison, Kate"
Sent: Wed 5/18/2016 4:14:30 PM
Subject: RE: PFOA/PFOS Health Advisory Update

All

As follow up to the call, we wanted to send you the link to the 2014 background information currently on our website. There, you will find 2014 Human Health and Drinking Water Advisory Documents for Chemical Contaminants. <https://www.epa.gov/dwstandardsregulations/https://www.epa.gov/dwstandardsregulations/drinking-water-contaminant-human-health-effects-information#dw-standards>

Thank you

Ex. 6 - Personal Privacy

Subject: PFOA/PFOS Health Advisory Update

When: Wednesday, May 18, 2016 10:30 AM-11:15 AM (UTC-05:00) Eastern Time (US & Canada).

Where: Belknap Room

Commissioners and Staff,

EPA's lifetime health advisories for Perfluorooctanoic Acid (PFOA) and Perfluorooctane Sulfonate (PFOS) are anticipated to be released at the end of this week.

EPA Region 1 has set up a call to walk through what the roll out of these advisories will look like, and answer any preliminary questions.

Subsequent to the release, we will set up individual calls with any state that would like a follow up conversation.

Call in Information as follows:

866 299-3188; passcode 6
